Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule 1.322.

Inspection of the file of the application for the patent reveals that the Abstract of the title page of the specification is/are printed in accordance with the record in the Patent and Trademark Office, as passed to issue by the examiner. Therefore, no correction is in order here under Rule 1.322 or 1.323.

In view of the foregoing, your request for certificate of correction is hereby denied. However, further consideration will be given these matters, upon receipt of a request for certificate of correction under the provisions of 1.323, accompanied by the appropriate fee which is presently \$100.

A certificate of correction will be issued for the other errors noted in your request.

Future correspondence concerning this matter should be filed and directed to Decisions & Certificates of Correction Branch.
